### **TEAM MOM JOB DESCRIPTION**

The Team Mom's most important responsibility is to act as the communications link between coaches and parents. Team Moms will be asked to distribute printed information; distribute and collect any fundraising stuff (papers, money, etc.); help with uniform hand out; help to ensure parent participation in volunteer assignments; assist with end of the year banquet details, and generally help coaches communicate with parents. They will also be asked to help organize team pictures. Team Moms should plan on attending at least one practice each week.

We need one Team Mom per squad. This position may be divided between two individuals. Each Team Mom position fulfills all 4 half-game increment volunteer requirements for one player. If the position is divided between two individuals, each individual would be credited with two of the four half-game increments required for each player.

For more information or to sign up for a Team Mom position, please contact Angie Gabel, or Dawn DesRosiers. We'll be glad to answer any questions you may have in person, on the telephone, or by email.
